TO THE COMMUNITY OF ST MARY'S... GOD IS GLORIFIED IN ALL THINGS

Another short week has passed us by ever so quickly! Our turn out and celebration for Anzac Day on Monday was truly moving. Our learners participated respectfully and it was great to have many parents and grandparents attend! Such a turn out models the importance to our St Mary's Learners. The Tuesday followed with a community march which both staff and families attended. Thank you to those who made the effort, it is greatly appreciated.

The rain this week unfortunately called us to cancel the Cross Country Sports. We have now rescheduled the event for Tuesday 2nd May. The program and permissions will all be rolled over to this day. Hopefully our parent helpers will still be able to attend.

Our Sacramental candidates are in their final days of preparation for this coming Sunday, 30th April at 2:00pm, where Bishop Les will Confirm and administer the First Eucharist. We hope our community can come along and support these candidates. We thank Miss Adelia and the Candidates families for preparing our learners so well. We will keep Lachlan English, Hudson Fountain, Liam Edge, Ava Brown and Isabella Wittebrood in our prayers this week.

Our school App is our predominant mode of communication at St Mary's and has thus far been effective. If you come across a glitch please email me so I can follow it up with our provider. We too are continuing to learn this platform. St Mary's will continue to strive to become paperless.

There may be slight changes to term 2's curriculum timetables for some classes - I will send home an updated fridge copy soon!

There was over 150 children all challenged by team games, leading strategies disguised in sports and dance! Our learners had a great day and as usual represented and participated proudly!

Mother's Day is not far away and we are preparing our celebrations. A date for the diary and an invitation will follow however we would love to see all of our Mum's, Grandma's or special friends come and join us on Friday 12th May between 12:30 - 2:30! Lunch and a good time will be provided!

Catholic education is another big event that will be upon us before we know it! During Catholic education week we will celebrate our Catholic Identity and share that with our community. During this week it is tradition to hold our Open evening. Our open evening aims to introduce St Mary's to our community and possibly anyone thinking of enrolling their child in 2018. If you know of anyone contemplating enrolment please advise them of this date.

Have a wonderful weekend everyone!
