

ST MARY'S

NEWSLETTER

Term: 2 | Week 10| 22nd June 2018

WEEK 10

Only one week to go and so much to do! It is normally around this time that we can feel tired and less enthusiastic, however not at St Mary's! Our learners are still wholeheartedly engaged and putting the final touches on their Inquiry learning.

Thank you to everyone who came to discuss their child/ren's learning this week. Partnerships in schools are very important to our Learner's growth and it was lovely to see smiles and a sense of pride on our Learners faces as they spoke with their teachers and parents.

Our Learners love to share their learning and can't wait for the opportunity to do so at our Learning Expo next Wednesday 27th June, 5.00-7.00pm. We are very proud to have the screening of a movie created by the Collaborative Classroom which will be presented within our local community.

To celebrate the end of another great term we will be having a casual clothes day on Friday 29th June. School will be finishing early at 2.10pm

God Bless Everyone...

Adelia Muldoon (Deputy Principal)

COMMUNITY NEWS

As part of our Inquiry this term, Learners have been thinking of ways that they can act and be 'Global Citizens.' Through our investigation, guest speakers from our community were invited to come and share how they are active citizens. The Leo Lions Club were very excited to hear of the Year One's plan to create a 'Friendship Bus Stop' to help build relationships within our school. Graciously they have donated money towards this project and we thank them for their contribution. We are all very excited as to how our project will evolve.

REFUGEE WEEK

#WithRefugees is the theme for Refugee Week.

A 'Refugee' is a person; boy, girl, woman or man. Not a label, but a human being with a beating heart just like you and me. And the refugee experience can be prolonged or it can be fleeting. Today there are more refugees than ever, and only by standing together #WithRefugees can we begin to change this.

Lord God, no one is a stranger to you and no one is ever far from your loving care. In your kindness, watch over refugees and victims of war, those separated from their loved ones, young people who are lost, and those who have left home or who have run away from home. Bring them back safely to the place where they long to be and help us always to show your kindness to strangers and to all in need. Amen

WOW!!! MOMENTS

In gymnastics we are learning different skills. We do forward and backward rolls as well as egg rolls. There is new equipment including a balance beam. I can do a handstand on the beam.

Mollie

I went on a bar. I did some flips. I am having a great time.

Pippa

I had a go on the balance beam. I slid down the ramp.

Elvey

We jump, we go on the zip line and we go on the beam. It is good to jump.

Jimmy

We are learning to do cartwheels and handstands and balancing on the beam. We get to do it with our friends. It is awesome to play there.

Milla

NOTE: As it is the final Gymnastics session on the last day of school, we ask that Prep and Year 1 Learners having lunch orders, do not order baked potatoes or wedges as time will not permit for cooking. Thank you.
