TERM 2, WEEK 9

Welcome to Week 9 and I hope everyone enjoyed their extended long weekend. Hopefully you got to spend it with friends and family doing something you enjoy. On Friday staff were at school continuing their professional learning in areas such as writing and learner wellbeing. Continuous learning is important in any field, and in teaching it also sets the example and models for our learners that we never stop learning! Last week we welcomed Jodie Webb to our St. Mary's team. Jodie joins us as an LSO and will provide extra support and assistance to our learners in the classroom. Please feel free to say hello and introduce yourself if you see Jodie around the school. Even though this upcoming week is short, we have managed to pack a fair bit into it.

Tonight (Tuesday June 11th) there is a P&F meeting at 6:30 at the school, new members are always welcome. On Wednesday night (June 12th), we will be running an information session for parents of learners who will be receiving the sacraments of Confirmation and Eucharist. This will be held at 6pm at the church. If you are unable to make this meeting but would like your child to participate, please contact Marie Kelly at school.

Mrs. Walker is running 'Wheellie Wednesday' this week. If your child would like to, they are welcome to bring in their scooter or bike to participate in this at lunchtime.

On Friday morning we are looking forward to welcoming 2025 prospective prep learners at school for a 'Come and Try' morning. This will run from 9-11am in the current prep classroom. Miss Cartwright has lots of fun activities planned, and it is bound to be an exciting morning. If you know of anyone who has a child starting prep next year please encourage them to attend this event, it is a really great way to get to know our school and see what we have to offer.

Friday will also see our Year 5/6 learners travel to Kerang to participate in the KDPSSA Sports Day (formerly known as the Lightning Premiership). They will spend the day competing against other teams in T-Ball, Football and Netball. We wish them the best of luck, but most importantly, we hope that they have fun.

I hope everyone has a great week, take care and God bless.

PRAYER

Blessed are you, Lord God, maker of all living creatures. You called forth fish in the Sea, birds in the air and animals on the land.

You inspired St Francis to call all of them his brothers and sisters.

We ask you to bless our pets.

By the power of your love, enable them to live according to your plan.

May we always praise you for all your beauty in creation.

Blessed are you, Lord our God, in all your creatures.

Amen
